Several of our subscribers have
complained with the postal law and
have paid in advance, but many
have not. We will begin to cut
our lists next week, but will not
cut off any of our Breathitt county
subscribers till after the first week
of circuit court. We have been
warning you since January 1. We
will be compelled to comply with
the law, whether we want to or
not.

An Act

Qualifying women to vote at any
common school election and to
hold any common school office.
Be it enacted by the General
Assembly of the Commonwealth of
Kentucky:

Section 1. That any woman
possessing the qualifications re-
quisite to a male voter in common
school elections, and who, in ad-
dition, may be able to read and
write, is hereby declared qualified
to vote at any election held for the
purpose of choosing any officers
of schools, or upon any measures
relating to schools, and any wo-
man possessing the legal quali-
fications required for males is here-
by declared to be eligible to hold
any office pertaining to the man-
agement of schools now existing
or that may hereafter be created
by any act of the General Assem-
bly of the Commonwealth of Ken-
tucky.

Section 2. In all places where
a registration of the qualified
voters is now, or may hereafter
be, required, women who are by
this Act qualified to vote shall be
registered at the same time and
place, by the same officers and in
the same manner as male voters,
their registration, however, being
made in a separate book; and all
the provisions of law relating to
the registration of male voters are
hereby made applicable to the re-
gistration of women qualified to
vote by this Act.

Section 3. All laws or parts of
laws in conflict herewith are here-
by repealed.

Few Here Know This.

When an eminent authority an-
nounced in the Seranton (Pa.)
Times that he had found a new
way to treat that dread American
disease, Rheumatism, with just
common, every-day drugs found
in any drug store, the physicians
were slow indeed to attach much
importance to his claims. This
was only a few months ago. To-
day nearly every newspaper in the
country, even the metropolitan
dailies, is announcing it and the
splendid results achieved. It is so
simple that any one can prepare it
at home at small cost. It is made
up as follows: Get from any good
prescription pharmacy Fluid Ex-
tract Dandelion, one-half ounce;
Compound Kargen, one ounce;
Compound Syrup Sarsaparilla,
three ounces. Mix by shaking in a
bottle and take in teaspoonful
doses after each meal and at bed-
time. These are all simple ingre-
dients, making an absolutely harm-
less home remedy at little cost.

Rheumatism, as every one
knows, is a symptom of deranged
kidneys. It is a condition pro-
duced by the failure of the kidneys
to properly filter or strain from
the blood the uric acid and other
matter which, if not eradicated,
either in the urine or through the
skin pores, remain in the blood,
decomposes and forms about the
joints and muscles, causing the
untold suffering and deformity
of rheumatism.

This prescription is said to be a
splendid healing, cleansing and
invigorating tonic to the kidneys,
and gives almost immediate relief
in all forms of bladder and urinary
troubles and backache. He also
warns people in a leading New
York paper against the discrimi-
nate use of many patent medi-
cines.

We are still for W. O. Bradley

Willson has the hearty approval
of most every one for taking the
picture of Goebel off of the State
checks and substituting Abraham
Lincoln and John C. Breckinridge.

We old log cabin men and
women of this neighborhood are
glad to know that we have two
splendid leaders in old Kentucky
Gov. Willson and Hon. John W.
Langley, who is now representing
the Tenth district in Congress. I
think Langley is one of the best
campaigners I ever saw. If he
could not get to his appointment
by rail or horse he would go by
foot. I think in the next four
years we will have a new life.
They did not come into this cam-
paign to seek the pious but to call
sinners to repentance, and I think
by the time that their terms of
office expire there will be a large
number to confess their sins and
have a right to the tree of life.

A great many of our old soldiers
some 45 years ago took up our
guns and marched to the front to
redeem the old Stars and hand
them down to our children, and I
can't see what makes them treat
me so, for when I get old and
ugly they will think of me 29
years ago.

J. D. Snowden, of Powell
county, is visiting J. N. Snowden
and family. J. J. Tipton went

went to Winchester last Thursday
on business. Mrs. J. N. Snow-
den is visiting her daughter, Mrs.
Horace Thomas. Will some
reader of The Breathitt County
News please tell me on what day
Eve the first woman was created?
Some one claims the whale was
made on the fifth day, and man
was made on the sixth day. Did
God finish his work on the sixth
day? Look at your bible closely
before you answer the question.
County court was in session
Monday. On account of the bad
weather not many attended, and
the majority were candidates,
among whom were Uncle Daniel
Lynch, P. A. Wallingbarger and
J. N. Snowden, candidates for
county judge, and R. M. Garrett,
George Powell and Stephen Dan-
iels, candidates for sheriff. Our
hustling sheriff, A. M. Durbjn,
has had part of the tax warrants
issued for the unpaid tax that is
due him. He has two of his de-
puties in the Miller creek precinct
collecting and serving the war-
rants. The contract to build
the White Oak church was let to
C. N. and W. N. Snowden for
one hundred dollars.
